**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of SONIC for seven years and would not enjoy going back to AT&T for my wired telephone service nor my internet service. SONIC provides better service at a more cost effective price. I am a senior citizen with a hearing disability and hear much better on a wired line than on a cell phone, so the wired line is a necessity not a luxury. Having the service from SONIC has been a Godsend cost-wise as well. My my "communications budget" for both voice and data was stabilized with no loss of service or function. We seniors do not need as much bandwidth as the younger generation. So, the service provided by SONIC over the leased lines is ideal.

Thank you.
